Forecast for Thursday 04 Mar 2021

Weather: Dry overnight and through daylight hours. Mainly cloudy, but a brighter spell early to mid afternoon with perhaps some sunny intervals. Cloudier in the evening with a few light showers falling as snow above 600-700.

Chance of cloud free mountain/hill tops above 700m: 30%, but 70% for a time in the afternoon.

Visibility: Mostly good away from the cloud, which will be based around 600m with patches to 400m though drier in the afternoon will allow bases to rise above 800m and become more broken for a time.
